

Heritage Park Training Level 3-day Qualifying Information

Starting in 2009, the T3DE is no longer considered a USEA "test," and it is endorsed under the USEA/USEF endorsement agreement.

Eligibility: Horses and riders must be registered members of the USEA.

Horses and riders must have obtained a National Qualifying Results (NQR) at four horse trials at the Training level, and one must be as a combination.

Except as noted below, National Qualifying Result (NQR): a NQR is achieved by completing the entire horse trials and scoring:

1. Not more than 50 penalty points in the dressage test;
2. no jumping penalties at obstacles on the cross-country test,
3. and not more than 90 seconds (36 penalty points) exceeding optimum xc time;
4. and not more than 16 penalties at obstacles in the Jumping Test.

One qualifying ride must have been achieved within 3 months of closing date.

If the horse is currently competing at the Preliminary level (or higher), one event must be **completed** within 3 months of closing date.

NOTE: For participation in the USEA Training Year-end Program, the competitor must be an active member and the horse properly registered.

Visit the USEA's Training Level 3-Day web page for information regarding points, etc.
